PROPOSED WESTERN AUSTRALIA CONTAINER DEPOSIT SCHEME

Coca-Cola Amatil notes the announcement made today by the Western Australian (“WA”) Government regarding a proposed Container Deposit Scheme (“CDS”).

The WA Government has indicated its plan to introduce a 10 cent refund CDS, aiming to improve recycling and reduce littering.

The WA Government is targeting for the scheme to commence mid-2018.

Today’s announcement follows similar moves by the NSW and Queensland Governments to also implement a CDS.

We are currently working with both the NSW and Queensland Governments as they introduce schemes in those states, and will work with the Western Australian Government as they develop the model for their scheme.
