Dear Shareholders

## 2018 Full Final Year Results and Final Dividend

On 21 February 2019, we announced our results for the full year ended 31 December 2018.

2018 was a transition year for the Group with earnings impacted by the planned investment in our Accelerated Australian Growth Plan and the implementation of container deposit schemes, compounded by economic factors in Indonesia and operational challenges in Papua New Guinea.

We delivered underlying earnings before interest and tax (EBIT) from continuing operations of \$634.5 million and underlying net profit after tax (NPAT) from continuing operations of \$388.3 million. Including the SPC impairment, statutory NPAT of \$279.0 million.

Australian Beverages' earnings reflected additional investments in our Accelerated Australian Growth Plan and were impacted by the implementation of container deposit schemes; many of our initiatives are gaining traction resulting in improving volume trajectory and volume share gains.

Despite the soft market conditions, weak currency and higher commodity prices impacting Indonesia's earnings, there are encouraging signs with volume growth from April onwards; Papua New Guinea experienced some operational issues which have now largely been resolved.

New Zealand & Fiji delivered another year of strong EBIT growth underpinned by strong execution, and Alcohol & Coffee achieved another year of double-digit EBIT growth while also funding investment in initiatives for our growth aspirations.

A final dividend of 26.0 cents per share (2H17: 26.0 cents per share), franked to 50 per cent (2H17: 70 per cent franked), representing an underlying payout ratio of 87.6 per cent for the full year.
